Entry Fee: \$2 per team, WINNER TAKE ALL. Winners announced, and paid, at Round Table Pizza.

Here's the Deal:

- Teams of two or more are invited to compete in a fun, easy and short TSD (Time,Speed,Distance) Rally prior to gathering at Round Table Pizza in Sunset Square for dinner.
- Timing will be done by each team. You will need a watch, phone, clock or other time piece capable of timing in minutes and seconds. You will also need a pen or pencil.
- General Instructions will be given and discussed at the Driver Meeting. Teams will be given their first clue and depart on one minute intervals. Additional clues will be given along the way.
- Routes will be easy to follow but there will be some challenging questions to answer along the way. You will need to go **the proper speed** which will be LESS than the legal speed limit.
- Total driving time will be under an hour and distance will be under 20 miles.
- Bring your entry fee to the driver meeting. Cash talks, everything else walks!
- Round Table Pizza is offering a 10% discount to anyone who calls in their order 24 hrs ahead. Their phone number is 360.671.6305.
- Some TSD Rally tips and tricks will be covered at the regular monthly meeting on June 22.
- Please RSVP your team member names, **and** your team name to mikerorvig@hotmail.com
- All kids, friends, and guests are welcome to participate.

Our goal is to put on a fun event in the style of “The Amazing Race” and introduce some TSD Rally concepts in a short, easy to follow format. Get your team together and join us for the Fifth Wednesday Social.
