- Cars of the “Reasonably Priced” persuasion will be provided. All competitors will use the same cars. This is a driving competition and every attempt will be made to make the conditions the same for all competitors.
- Winners will be determined by summing total time in all runs including penalties. The lowest cumulative time will be champion. Three or four runs are expected.
- Awards for Top Female, Top Male, FTD and Champion will be presented at the Annual Banquet. No times will be given or announced at the event.
- Day of Event rules are subject to the whims of the event chairs.
- All other CSCC 2010 rules will apply.

Our goal is to put on a fun event in the format of “Star in a Reasonably Priced Car” as seen on Top Gear. Let’s find out which of our class champions or stellar volunteers is the true Champion.
